

## Membership Committee 2017-18 Year-End Report

At the end of the 2017-2018 academic year, the current (and comparative) status of our membership is summarized below. As the figures indicate, membership remains quite steady given the demographics of this group. (Note: these numbers are taken from the UCDEA June report for the years cited.)

	<b>2015-16</b>	<b>2016-17</b>	<b>2017-18</b>
Annual members	83	53	44
Associate members	81	77	94
Affiliate members		2	2
Lifetime members	<u>319</u>	<u>320</u>	<u>343</u>
Total members	483	452	484

There have been some renewed efforts, primarily initiated and supported by a small group of emeriti in the School of Medicine, to develop a more active emeriti community on the Sacramento campus. If this group can develop some momentum, there is some potential for attracting more members.

Respectfully submitted,

John Vohs
